25-11-2026

Dear Micro Computer Customers,

Here are the specifications of the assembled PC made on the website: https://microbatam.com/id/buildpc

Image	Product	Unit Price	Quantity	Total
		Total	**0**	**Rp0**

Product images and specifications may vary. Please double-check the official website of the product you wish to purchase. Prices do not include assembly and software/programming costs. Please add "ASSEMBLE & TEST" if you wish to receive your computer ready to use.
